

Community Event

ABOUT PROGRAM

We are seeking **Licensed Contractor Volunteers** to run assigned Gratis Service Calls for Qualified Low Income Individuals that are in need of service, repairs or replacements to their HVAC Systems.

2023

INTERESTED IN VOLUNTEERING?

HOW DOES IT WORK?

- We will schedule a meeting to discuss the standard processes with participating contractors via Zoom.
- We assigned calls based on your service area. Each contractor will be assigned 3-5 service calls for the week that are pre-scheduled.
- Service Calls will be run the week of October 30th thru November 3rd. A complete HVAC System inspection/tune-up should be performed with a completed service order (provided) and photos.
- If service repairs are under \$500 dollars, they can be completed on-site. If it is over \$500 please specify on service sheet and will require approval.
- Parts, supplies & equipment reimbursements will be completed by participating suppliers.
- Residents requiring full replacements will be completed on November 15th by volunteers.
- Volunteers will be invited to attend an Award Ceremony on December 6th for recognition of their contribution to the community.

Interested in donating parts or Equipment?
